Home Agent's Notes

By Mrs. B. G. Anderson
Home Demonstration Agent

National Home Demonstration Week, April 28 - May 4

Virginia's home demonstration club members are doing a little stock-taking these days. The occasion, — the advent of National Home Demonstration Club Week, April 28 - May 4.

Almost 10,000 women in Virginia will join in the observance, which aims at further acquainting the public with the Cooperative Extension Service and its home demonstration program.

In Appomattox County we have 16 home demonstration clubs, with a membership of about 350 women.

From the White House came these greetings from President Eisenhower: "To the women participating in National Home Demonstration Week, I send greetings. As you learn new homemaking practices, you share your skills with your neighbors, you help build better homes and communities across the land. And by demonstrating the latest findings of home economics research in America, you show the homemakers of other countries the standard of generous living made possible through a democratic way of life. My best wishes as you continue this promising program in cooperation with the United States Department of Agriculture."

One of the outstanding events of the observance of National Home Demonstration Week by Appomattox Home Demonstration Clubs is in sponsoring a county-wide meeting on Health, for Tuesday, April 30, at 7:30 P. M. at Appomattox Elementary School. Mrs. Helen Smith Mugler, Educational Director, Department of Mental Hygiene and Hospitals, Richmond, Virginia, will speak on Mental Health. Mr. Shomo, Director, the Southside T. B. Association, will show a movie on T. B. This program should be of interest to every individual in the county, and the public is cordially invited to attend.

The Home Demonstration Committee sponsored a Poster Contest on good nutrition and health in the schools. The posters will be judged and exhibited during National Home Demonstration Week.

The clubs are also planning to cooperate with Mrs. F. F. Carr and her committee on the Jamestown Festival Celebration here on May 5th.

Forty eight Home Demonstration members and the home agent attended the District III Federation meeting in Amherst last Wednesday.

At VPI, Miss Maude E. Wallace, assistant director, notes that organized Extension work in home economics is carried on in 95 counties and two independent cities in Virginia, by 155 home demonstration agents and assistants. Thirty-two counties have Negro home demonstration agents.

Last year, Miss Wallace says, there were 1,541 home demonstration clubs in Virginia, and it is estimated that county home demonstration programs reached 167,722 families in the state.

With the establishment of the New Plant of J. E. Sears & Co., Inc., the management of the firm feels that it would be of general interest to the local public to know more about its operation.

The new plant is the result of a number of years service principally to the building trade as well as to the home owner. In this modern plant, you can get a moulding made to match one made maybe 100 years ago. You can get all of the millwork and special lumber to fill the requirements of a new church, hospital, or commerical building, as well as the most modern present-day home.

Management says:

"We are proud of the fact that we were selected to reproduce millwork for two of the most famous restorations in this section. One being the McLean House at the local National Historical Park, and the other being the restoration of "Red Hill," the last home of Patrick Henry, located in Charlotte County. Both of these projects had to be done in minute detail to match what originally existed and we are pleased at our selection to do this work.

"From our plant has come fine millwork for use in the public schools of Appomattox, Amherst, Bedford, Campbell and Charlotte Counties, as well as Schools and Hospitals in the City of Lynchburg. Materials for many of the finer homes of this area have been expertly manufactured and furnished by this Company.

"The best craftsmen in the area are employed in this plant. We are continually employing and training young men to follow in the fine tradition of producing quality woodwork. We are exceptionally proud of this plant's employees, who are under the supervision of Mr. Raymond Price, Millwork Shop Supervisor.

"The facilities of this plant include all the woodworking machinery required to produce fine wood products. All equipment is electrically operated. There has been installed an up to date dust collecting system, which automatically removes dust from the machines and the building. The building is well lighted and has a central automatic heating system. Every effort has been made with the health, safety and comfort of the employee in mind.

"Whether your requirements are for an odd window sash or the complete materials for a fine home, this plant is equipped to furnish your needs correctly and economically."

Mrs. C. T. Moses, Jr., chairman of the Show, with Mrs. K. C. Gregory, acting as co-chairman, have the following members assisting in staging the Show: Mrs. Wm. W. Seventeen Artistic Classes will be presented, setting forth the theme of five Virginia Traditions: History, Courage, Gracious Living, Great Men, and Scenic Beauty.

The Junior Garden Club will also present two classes: one depicting Indian Life in Virginia, and one depicting the Jamestown Festival. This is to be staged by Miss Flora Belle Williams, Principal of the Elementary School, with all grades from the first through the seventh taking part.

Much charm and color will be added to the Show with the Junior and the patrons of Appomattox County to get an understanding of Europe and the European people by first hand information.

ART EXHIBIT

In co-operation with the Jamestown Festival Year Committee, the Fine Arts Department of the Woman's Club of Appomattox, is sponsoring a county-wide Art Exhibit to be held in the Old Jail House on May 4 and 5. This exhibit will be open to the public on May 4 from 2 to 6 P. M. and on May 5 from 10 A. M. until 6 P. M. Admission free.

CLUB BOOK REVIEW

A book review on "The Scapegoat," by Daphne du Maurier, will be given by Mrs. Charles F. P. Crawley to members of the Woman's Club of Appomattox on Tuesday evening at 7:30, May 7, at the County Library. The public is invited to attend this review.

Exhibits List

Mrs. K. C. Gregory, president of the Appomattox Garden Club, extends an invitation to the public to exhibit in the horticultural class in the Flower Show to be staged Saturday, May 4, and Sunday, May 5, in the Gray Cabin at Old Appomattox Court House.

Many outside visitors are expected to attend the Appomattox County Day at the Surrender Grounds on Sunday, May 5, which begins with an outdoor religious worship service at 11:45 A. M. at the McLean House. The Flower Show will be one of the principal features of the Day, and the Garden Club would like to have anyone growing flowers to exhibit in the show.

Mrs. S. S. Shouse, Chairman of the Horticulture Classes requests that entries be brought to Gray's Cabin at the Surrender Grounds, from 9 A. M. to 12 noon, Saturday, May 4. All specimens should be named if possible, and exhibitors are allowed only one entry in each class or separate division under a class.

Local Seniors In New York

Sixty-five seniors of the Appomattox High School left Wednesday, May 1, at 6:00 A. M., for a tour of New York City. They will return to Appomattox Sunday, May 5.

While in New York they will tour the city, visit the Statue of Liberty, attend a show and stage show at Radio City Music Hall, attend the Cinerama "Seven Wonders of the World," and some of the TV shows. They will appear on the Dave Garroway Show Friday morning. Mrs. Hugh Waverly Brown and Wayland Coates are chaperones for the group.

A. H. S. To Get Teacher From Denmark

Next year the students of A. H. S. are going to have the opportunity to study under a lady from Denmark. Dr. C. E. Purdy, of the U. S. Office of Education in Washington, D. C., has been kind enough to honor our request for an exchange teacher for the next school year.

This Exchange Teacher, Miss Reimann, will teach some of the science and geography. This will be a real opportunity for both the students of Appomattox High School and the citizens of Appomattox County to get an understanding of Europe and the European people by first hand information.

IN-COMING DAY FOR SEVENTH GRADERS

Friday all of the in-coming 8th graders from the County Elementary Schools are coming to the High School for an orientation program and to register for their next year's courses.

Some changes have been made in the eighth grade program whereby the students are going to have an opportunity to elect one of their five courses. They will have a choice of four courses from which they may elect one.

It is hoped that this choice will be one that they are very much interested in, and that it will give them a little more incentive to work harder.

Marketing Quotas On Wheat Crop

Marketing quotas have been proclaimed by the Secretary of Agriculture on the 1958 crop of wheat. This is the fifth successive proclamation of wheat quotas which have been in effect since the 1954 crop and is required by a wheat supply that is 56 per cent above the marketing quota level.

A national acreage allotment has been set for the next year's crop at 55 million acres, the minimum permitted by law. Out of this Virginia gets a 1958 wheat allotment of 259,436. This is about 3 per cent more than the 1957 allotment of 252,514 acres. County allotments, which will be announced shortly, will not necessarily reflect this amount of increase since each county allotment will be based on the amount of acreage seeded for the production of wheat during the 10-year period 1947-56.

Before wheat marketing quotas can be put into effect next year they must have approval by at least two-thirds of the wheat producers voting in a referendum. The referendum date has been set for June 20, 1957. Last year growers approved marketing quotas for the 1957 wheat crop by an 87 per cent majority. Growers who will have more than 15 acres of wheat for harvest for grain in 1958 will be eligible to vote in the referendum.

If quotas are approved, the national average support on the 1958 wheat crop to eligible producers in the 36-state commercial area will be not less than $1.78 per bushel, which is 75 per cent of parity. As in the past wheat programs, farmers who exceed their farm allotments will be subject to marketing quota penalties if they have more than 15 acres of wheat for harvest. The penalty rate to be announced will be equal to 45 per cent of the parity price per bushel of wheat on May 1, 1958.

Post Peeling Demonstration

County Agent Jim Danville announced that a post peeling demonstration will be held on the farm of S. S. Shouse, Route 4, Appomattox. A. B. Lyon, VPI Extension Forester will be here to conduct the demonstration.

Fencing is a county-wide problem with all farmers and it is believed that farmers will benefit by attending this demonstration, which is scheduled to begin at 10:00 A. M., Tuesday, May 7.

AT JAYCEE MEETING

Those from Appomattox who attended a meeting in Danville Monday night, of Region VI, Virginia Chamber of Commerce, were: President David Trent, Frank McCann, Claiborne Ingr, Bobby Lawson, Robert Trent, Ben Marshall, H. H. Caldwell Jr. and Billy Conner.

Due to a change in regionalization, this is the last meeting for Appomattox in Region VI. Beginning July 1, Appomattox will be in Region VIII. The meeting in Danville was primarily a political meeting, with candidates for state offices making campaign speeches.

ANNUAL MEETING OF WOMANS CLUB

The annual meeting of the Womans Club of Appomattox will be held at the Elementary School at 3 P. M., Monday, May 6. At this time, each Committee Chairman will make a report.

Appomattox County 4-H Club members will observe 4-H Rural Life Sunday, on Sunday, May 5. Services will be held at Liberty Baptist Church, Appomattox, beginning at 2:30 P. M. Reverend Riley J. Stewart, who is the son of Mr. and Mrs. L. L. Stewart, Evergreen, will deliver the sermon. Reverend Stewart is a former 4-H Club member from Appomattox County. He participated in 4-H Club work for a total of nine years while attending schools in Appomattox County. In 1946, he was State and Sectional winner in the National 4-H Soil Conservation Contest and thereby won a trip to the National 4-H Club Congress in Chicago, in December, 1946.

Mr. Stewart has recently been appointed as pastor of the East End Baptist Church in Roanoke. He is an ordained student at Southeastern Theological Seminary at Wake Forest, N. C. For the past three years he has been serving as pastor of churches in Ironto and Hilliton. He is a lieutenant in the U. S. Army Reserve and graduate of its school of chaplains.

The theme of Mr. Stewart's sermon will be "Prepared for Sowing."

Appomattox County 4-H Club members will also participate in the program.

All 4-H Club members and their parents are invited to attend this service.

County Band Has Concert

The concert will be given at the high school auditorium, and will begin promptly at 8:00 P. M. Both the Beginning Band and the Advanced Band will take part in the concert.

The remainder of the program will be novelties and marches. The majorettes will perform and feature a solo baton twirling performance, and in addition, an accordian solo.

The admission is 50 cents for adults, and 25 cents for children. Tickets will be on sale at the door.

The band will have 62 students taking part, under the direction of Joyce Wingfield. All proceeds from the program will go toward purchase of music.

Girl Scout Fund Drive

The Lynchburg Area Council of Girl Scouts, Inc., has set May 1st to 15th for a Girl Scout camp fund drive. The funds from the drive will be used for extensive improvements to the camp. Appomattox Girl Scouts and Brownie Troops are a part of the Lynchburg Area Council. Dr. S. R. Lawson is chairman of the fund raising drive in this area.

Sunday, May 5, is Appomattox County Day. A feature-packed sequence of well-planned and staged events will attract large crowds to historic Old Appomattox Court House, for what is a major program of the Appomattox County Jamestown Festival Year Committee.

So dominant in "The Appomattox Story" is the theme of Christian Peace, as exemplified here on April 9, 1865, that the Committee has set up as the first event of Appomattox County Day a county-wide Religious Service. If there is anything at all that Appomattox has to make it stand out above every other town and city, it is the aspect of a near century of Peace following the episode of Palm Sunday, 1865. To focus attention to that Christian concept, a Union Religious Service will be held, outdoors, at the McLean House, at 11:45 A. M. this Sunday.

To plan and set up such a tremendous event, the County Jamestown Festival Committee was fortunate in having Mrs. Frank F. Carr accept general chairmanship. An outstanding leader in Virginia and national civic enterprises, Mrs. Carr has done a yeoman job in planning Appomattox County Day. She has received widespread cooperation, and some 28 different clubs and organizations have been assigned activities for the day.

Dr. Twyman Williams, noted Presbyterian minister and historian, will bring the sermon at 11:45. A number of churches are moving up their own morning worship services to 10:46, so as to enable their congregations to attend the Union service at the Old Court House.

Senator C. T. Moses heads the committee of ushers. Loud speakers will be set up, and an organ provided. Special music will be by provided by a group choir, Mrs. E. Carter Martin, and Mr. E. Bruce Knapp. Mrs. Harriet Fitzgerald will be organist. Dr. C. A. Collins and Pastor W. P. Lawrence will assist in the service.

Chairs will be set up under the trees for the congregation.

The service will last one hour.

Immediately after the service, Circle No. 3 of the W. S. C. S. of Memorial Methodist Church, will sell lunches. Picnic facilities will be available for family groups to have reunions, and a family dinner on the grounds.

An Art Exhibit is being presented by the Womans Club of Appomattox. This will be open in the Old Jail Building.

The Annual Spring Flower Show of the Appomattox Garden Club and Junior Garden Club will be presented at the Gray Cabin at the Surrender Grounds.

Malcolm Booker is chairman for an Exhibit of Old Firearms and Civil War Relics.

Admission to the McLean House will be free on Sunday.

In event of rain, the Religious Service will be held at Liberty Baptist Church, with the remaining events going on as scheduled at the Old Court House.

A group of "Confederates" in uniform, from Richmond and other Virginia communities having modern Confederate troops, will be present to add color and atmosphere to the occasion. Their ladies will also be in period costume.

The National Guard will have a First Aid Station at the Old Court House all during the day.

At 5:00 P. M., the Guard will stage a full Military Retreat, in front of The Tavern.

The Boy Scouts, Brownies, Girl Scouts, Lions Club, Jaycees, Junior Woman's Club, Ruritan Clubs, and many other civic and school groups will have part in staging Appomattox County Day.

Programs for the Religious Service will include copy for hymns to be sung. Several organizations will sit in groups at this service.

National Park Service personnel will cooperate in caring for those present. One civic group has volunteered to do a "Clean-Up" job at the end of the day's events.

It is the hope of the Committee that Appomattox County Day may become an annual occasion, with a religious service and World Peace as a regular feature. The plan is to continue such a service through 1965, the 100th anniversary of the Peace made here by Lee and Grant. As the sacred rendezvous for the theme of Peace, Appomattox hopes that the public will support the varied events set for this Sunday. It is known that many from other areas plan to visit Appomattox this Sunday. Home folks are asked to attend in large numbers.
